

# Geography Key Vocabulary Progression Map

Below are the vocabulary lists for geography. These give an indication of the words that we want children to become familiar with during each year group. They are not intended as a test list but show the kind of language staff will use and explain in lessons to broaden pupils' geographical vocabulary and understanding.

(Vocabulary pooled from the National Curriculum, Focus Education Challenge Curriculum, Geography Association guidance alongside other teaching support/planning sources. Please note – Lists are not exhaustive and may differ in age groups should conversations arise within learning.)

## EYFS

Nursery						Reception											
<p><b>What makes me special?</b></p> <p>– Families and special people</p>	<p><b>What do I celebrate?</b></p> <p>– origins of celebrations – family celebrations</p>	<p><b>Can you tell me a tale?</b></p> <p>Traditional Tales – historical houses and living, similarity and difference.</p>	<p><b>What do you see on the farm?</b></p> <p>– growth and changes</p>	<p><b>Who are our helping heroes?</b></p> <p>– origins of emergency services – famous figures who help/helped others</p>	<p><b>Where shall we travel to?
