Midday Insights:

Following the morning walk, unwind and reflect over a warm cup of tea in our Talk with Tea session. Here, you'll have the opportunity to engage in in-depth conversations with either our Headteacher or Deputy Headteacher, gaining valuable insights and sharing experiences.

Afternoon Focus:

Tailor the day to meet your team's specific needs with a customised focus session. Choose from key educational areas such as Early Years pedagogy, assessment, subject specific development or curriculum design etc . These sessions are led by specialised members of our team who are eager to share their expertise and strategies for success.

All-Inclusive Experience:

Your day includes participation for up to four staff members, a delicious lunch, and all-day refreshments, ensuring a comfortable and fulfilling experience. The full day runs from 9:30 AM to 3:00 PM, packed with opportunities for spontaneous discussions and flexible explorations of new educational paths.
