"Outstanding provision in the Nursery class results in the children developing exceptionally good personal, social and learning skills."

OFSTED

Welcome

Thank you for your interest in Park Road Academy Primary School Nursery. On behalf of the staff and governing body we would like to extend a very warm welcome to all children, parents and carers to our school. We are very proud of our excellent reputation for providing outstanding education and care.

Our school motto is Pride, Respect, Achieve, Perform, Success. This motto illustrates our philosophy. We strongly believe our goal is to nurture each child's unique qualities and potential.

Our values...

We fulfil our maximum learning potential

We are happy, confident and love learning

We are respectful of others

We place imagination and creativity
at the centre of our
learning journey.

Teaching and Learning

Our staff and children are passionate when it comes to teaching and learning. We fully embrace the Early Years Foundation Stage curriculum and are proficient at delivering all its requirements. Year on year, our Early Years Foundation Stage profile results are significantly above national.

Our ongoing commitment is to ensure we continue to foster the love of learning. We provide quality experiences that empower children to become confident, independent and creative life-long learners. We help children to approach life and school with a positive disposition for learning.

Learning Environment

Children can use our huge climbing wall and slide to develop their gross motor skills. We encourage children to use their bodies in new ways to improve their coordination.

Investigate and gain a greater understanding of the world through our construction area.

We mature children's fine motor and pre-writing skills in our writing kitchen and fiddly fingers pods

During your child's time with us we provide a balance and wealth of activities both in and outdoors. Our children thrive in an environment where they feel happy, safe and secure.

Children can enquire and explore through our outdoor classroom. Children learn new language whilst exploring the water and sand areas.

Happy, Healthy & Safe

We strongly believe our role is to support families through strong partnerships for the greater benefit of your child. Your partnership starts with us on your child's very first day at our School Nursery.

We encourage our children to show respect for all cultures and value one another's beliefs.

Daily snacks are seen as an enjoyable and relaxed experience. Children come together and learn how to be part of a group. This teaches them valuable social skills.

Our school menus are carefully planned and cater for individual dietary needs. They offer children opportunities to experience different foods and develop healthy eating patterns.

At Park Road we value the use of visitors and the wider community to create exciting and engaging opportunities which inspire children to learn.

The individuality of each child is respected and nurtured.

A wide range of breakfast options are offered and a healthy snack is provided at 3:45pm.

"I think that B & E settled in much faster at school because they attend Club. They have made friends with older children who have taken them under their wing."

Parent

"There's different themes and activities every week. The staff are lovely, the kids are happy. I get a full day of work done knowing they are safe."

Extended Services

Here at Park Road Academy Primary School Club, we aim to provide excellent extended provision at a competitive cost. We encourage our older children to become responsible and to support our younger children.

We provide a wealth of exciting activities and fun experiences for children aged 3 to 11 years.
